Dear Ian,

WHAT HOUSE AWARDS 2014 - BEST RETIREMENT SCHEME

As you know, once again Audley were successful in scooping the Gold Award for Best Retirement scheme for Audley Binswood. This was our third successive win in this category.

Whilst the real reward is the comfort and quality of life that we are able to offer older people in our villages, it is obviously welcome that our success is recognised by the industry. Of course, any such Award is the culmination of the hard work and creative energy that the whole team puts into the project, so I would be pleased if you would accept a copy of the Award plaque as a token of our gratitude for all your hard work helping us to achieve a great development.

All the best for 2015.

Kind regards.

Yours sincerely,

David Driscoll
