

Environmental Policy Statement

Milieu Landscape Design commits the company to continuous improvement in what it can do to minimise the environmental impact of all its projects and is committed to **sustainable development**, to reduce the impact on the environment from our operations.

We will assess the environmental impacts of our operations and aim to improve our environmental performance.

We will:

- Promote responsibility for the environment within the organisation and communicate and implement this policy at all levels within the workforce;
- Minimise waste by reduction, re-use and recycling methods;
- Conserve energy, water and other resources;
- Make sure reasonable steps are taken to prevent incidences of pollution;
- Comply with all relevant environmental legislation, regulation and other requirements;
- Identify and provide appropriate training advice and information for staff and encourage them to develop new ideas and initiatives;
- Make sure appropriate resources are provided to meet the commitments of this policy;
- Promote and encourage involvement in local environmental initiatives/schemes;
- Recognise the environmental efforts of potential sub-contractors at the tender stage of managing any contract;
- Actively encourage our sub-contractors to implement their own Environmental Management policies;
- Minimise transportation of all raw materials by using sources that are as local as possible;
- Undertake a review procedure of this policy to keep it up to date and in line with any legislation changes or updates.

Person responsible for the environmental policy: Mr Christopher Forshaw
